

Dear Parents/carers,

Following the parent/carer Consultations in the Spring term, we have summarised the results from the questionnaires below.

Question	What you said			What we did
Do you feel your child is well looked after at school?	Yes - 99%	No - 1% (2)	Not answered – (0)	We are delighted that the vast majority of parents/carers feel that their child is well looked after at our school. The children’s wellbeing is of paramount importance to us and we encourage that all parents/carers speak to their child’s class teacher should any issues arise.
Do you know who the Governors of the school are and what their role is?	Yes – 40%	No – 59% (122)	Not answered – 0.5% (1)	Please visit our school website where you will find a full list of all our governors’ names, roles, responsibilities and attendance at meetings. We have also attached a leaflet to outline the roles and responsibilities for governors.
Have you received valuable information about your child’s progress today?	Yes – 96%	No – 1% (2)	Not answered – 3% (7)	It is great news that nearly all of our parents/carers feel that they have received valuable information about their child’s progress. Our aim was to produce a booklet to support parents/carers in their understanding of their child’s targets and their progress towards these. Should you require any further clarification, please do not hesitate to contact your child’s class teacher.
Is the information clear and understandable?	Yes – 90%	No-0.5% (1)	Not answered – 10% (20)	
Would you recommend this school to another parent?	Yes – 86%	No – 4% (9)	Not answered – 10% (20)	We are pleased that so many of our parents would recommend St Basil’s to another parent. However, we are disappointed that not all our parents feel this way. We ask that if parents/carers have any concerns, that they speak to us directly so that we can deal with them .

Thank you for your continued support,

Yours sincerely,

Mrs J. O’Donnell  
Deputy Headteacher

&

Mrs A. Paoli
