Introduction

The government provides Sports Premium funding for Primary Schools to provide additional and sustainable improvements to P.E. and sport for the benefit of all pupils and to encourage the development of healthy and active life styles. Schools will spend the sport funding on improving their provision of P.E. and sport and will have the freedom to choose how to do this. Examples include enhanced professional development opportunity, additional sport clubs, equipment to support P.E. and hiring specialist P.E. teachers and qualified sport coaches.

At St. Basil's Primary School we recognise the contribution of P.E. to the health and well-being of the children. In addition, it is considered that an innovative and varied P.E. curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

Some of the outcomes we hope to meet through the Sport Premium funding are:

- Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons.
- Improvements in the quality and breadth of P.E. and sporting provision, including increasing participation in P.E. and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.
- Increased opportunities for competitive sport.

Nature of spending 2019-20
