

10th September 2020

Dear Parents and Carers

Before the summer we recognised that the school needed to plan for a curriculum that will support children in their return to school to meet both their personal and academic needs due to Covid 19.

We have designed our “Rainbow Curriculum” with this in mind and you will find attached a document which we hope will give you an overview of what this will look like.

We have chosen the rainbow as a message of hope, aspiration an opportunity as we “love, learn and recover” together in school.

You will be sent further information from your child’s teacher later this week with the Autumn Term Plans for their year group.

With kind regards

A.M. Sheppard
