

Home Learning due to Covid 19

To support your child continuing to learn from home due to school closure, we have put together the following timetable, which combines the Oak National Academy and some additional resources from school. Please keep your teacher updated by posting work on class dojo; your teachers would love to see it!

Our school website also has lists of additional websites that can be used to support home learning. Please find these located on the Covid School tab – and click on your child’s year group

Instructions and log in details for Microsoft Teams will be sent home with this timetable, uploaded on class dojo and sent via school comms. Your child will be expected to log on every morning to check in and for the teacher to explain the lessons for the day. On the timetable there are multiple opportunities for your child to log on to Microsoft Teams and have a face to face meeting with their class teacher- it is expected that your child will have contact with their teacher throughout the day. If your child does not log on to these meetings or no contact has been made, someone from school will contact you to check that your child can successfully access learning. We understand that some families have siblings in the school, please share the check in’s so that each child gets to see their class teacher regularly.

In addition to the feedback and question time, your child’s class teacher will be available all day if needed. If you need to contact your child’s class teacher, please make contact on class dojo and request a Microsoft Teams call.
