Fit 4 Life Bite Size Sessions

Join us for our 1-hour parent/carer workshops:

SLEEP & SCREENS

Did your children sleep well last night? In this session we will explore how the length and quality of sleep can affect us and our children. Pick up new tips and ideas to promote good quality, restful sleep. We will also look at how screens affect our children, and share ideas for managing screen time better.

FUSSY EATING & SNACKING

Is your child a fussy eater? It's easier said than done to get children to try new foods. In this session we will share tips and techniques to encourage your child to eat more variety. We will also talk through the steps to food acceptance. We'll share healthy snack ideas as we look at alternatives to sugary snack favourites.

MENTAL HEALTH & EMOTIONAL WELLBEING

Everyone has mental health and looking after your child's mental health has never been so important. This workshop is based on the 5 ways to wellbeing and will give you tips and advice for supporting your child's mental health. We'll share resources and techniques to promote positive mental health and build resilience.

These workshops are for parents and carers, and will be delivered via Microsoft Teams.
