Dear Parents/Carers,

We would like to share with you school's 2018 results which demonstrate the continuing good progress being made by pupils across school. We have highlighted changes from school's results last year or where results are higher in comparison to national percentages. Please note that not all this year's national percentages have been release. In most year groups 1 child = 2%.

We are pleased that an increasing number of pupils are working at the Expected National Standard for Reading, Writing and Maths in both Key Stage 1 and 2 and that increasing numbers of pupils are also achieving the Higher National Standards in both Key Stages or are exceeding the Early Learning Goals in Foundation Stage.

We hope you agree that substantial improvements are continuing to be made in all phases of learning across the school.
