Bereavement Awareness Support for Parents and Carers

Understanding how to support children and young people while also looking after yourself is vital. Families supported by Child Bereavement UK tell us that it is helpful when they better understand how children and young people grieve and what helps them in their grief.

In this 1-hour session you will learn more about the grieving process and get helpful suggestions for you and your family.

Sessions take place on the last Monday of every month, between 5.30-6.30pm.

Book your place on [Eventbrite](#).
